

# FEATURED BREWERY

In 2014, Sam Richardson, Matt Monahan and Andrew Burman founded Other Half Brewing Company, a local brewery in New York City with a simple mission: to create beers that they wanted to drink from a company that they wanted to be a part of. Their vision was to build a passionate team that brewed great beers in the state of New York—done so with effort and thoughtfulness—to represent the “Other Half” of the industry.
